Sprint 1 Plan, TSR Assistant, Drowning with Ducks, 10/22/17, Version 0.1, 10/10/17

Goal: We would like to become familiar with Django and the GrepThink forms and frameworks to gain a better of understanding of what tools we have and what we are able to do with them.

- User Story 1(As a developer, I want to get familiar with the technologies used, so that I can make this project)
 - Task 1: Do the Django tutorial provided in the links (time estimate: 5 hours)
 - Task 2: Set up a local version of GrepThink (time estimate: 1 hour)
- User Story 2(As a developer, I want to have full access to the TSR data in its native form, so that I can decide how best to handle the data)
 - Task 1: Get familiar Database information(time estimate: 2 hours)
 - Task 2: Pull data from database(time estimates: 1 hour)
 - Task 3: Pull full team's TSR data and temporarily store it (time estimate: 2 hour)
- User Story 3(As an instructor I want to be able to see the analysis of existing TRS's in the GrepThink infrastructure to simplify where TSR's can be accessed.)
 - Task 1: Determine how the TSR web page is displayed(time estimate: 3 hours)
 - Task 2: Set up dummy data for tests(time estimate: 1 hours)
 - Task 3: Push data onto the webpage(time estimate: 1 hour)
 - Task 4: Make a blank field on the TSR webpage(time estimate: 1 hour)
 - Task 5: Do simple formatting on the data displayed on the webpage(time estimate: 1 hour)
- User Story 4(As a developer I want to manipulate with a block of data within the GrepThink data)
 - Task 1: Check TSR input verification (time estimate: 2 hours)
 - Task 2: Set up data structures for data manipulation (time estimate: 3 hours)
 - Task 3: Fix average math existing on GrepThink webpage (time estimate: 1 hour)

Team Roles:

Arindam Sarma: Product Owner {Developer}
Tyler Schmidt: Scrum Master 1 {Developer}

Melanie Lum: Developer Rebecca Bui: Developer

Initial task assignment:

• Arindam Sarma:

- o User Story 1: Task 1, Task 2
- o User Story 4: Task 1, Task 2, Task 3
- Tyler Schmidt:
 - o User Story 1:Task 1, Task 2
 - o User Story 2: Task 1, Task 2, Task 3
- Melanie Lum:
 - O User Story 1: Task 1, Task 2
 - o User Story 3: Task 1, Task 2, Task 3
- Rebecca Bui:
 - o User Story 1: Task 1, Task 2
 - o User Story 3: Task 1, Task 4, Task 5

Burn Up Chart:

- Virtual: <u>Team BurnUp Chart</u>
- Physical: None

Scrum Board:

- Virtual: Scrum Board
- Physical: Baskin, room 316

Scrum Times:

- Monday: 4:00 p.m., with TA
- Tuesday: 5:30 p.m.
- Thursday: 5:30 p.m.
